The AGM will only address the formal matters contained in the Notice of AGM and an explanation of the business to be conducted at the meeting is included on pages 10 to 12 of this document.

I would encourage Shareholders and holders of Depository Interests to exercise their right to vote on the business of the meeting in the following ways, whether or not they intend to attend the AGM in person:

IMPORTANT NOTES

The following notes explain the general rights of Shareholders and holders of Depositary Interests and the rights to attend and vote at the Annual General Meeting or to appoint someone else to vote on their behalf.

Holders of Ordinary Shares

1. A Shareholder is entitled to attend and vote at the Annual General Meeting and is entitled to appoint not more than two proxies to exercise all or any of his or her rights to attend, speak and vote instead of him or her provided that each proxy is appointed to attend, speak and vote in respect of a different share or shares. If two proxies are appointed, only one, as determined by the Shareholder, shall be entitled to vote. A proxy need not be a Shareholder. A Shareholder may appoint the Chairman to vote, as directed by the Shareholder's voting instructions, or at the Chairman's discretion as he shall see fit if the Shareholder has expressly authorised the Chairman under the "Discretion to Chairman" option in the voting instructions. Appointing a proxy will not prevent a Shareholder from subsequently attending in person and voting at the Annual General Meeting. If a share is held by joint Shareholders and more than one of the joint Shareholders votes (including by way of proxy), the only vote that will count is the vote of the person whose name is listed before the other joint holders on the register.
2. The appointment of a proxy, and the original or duly certified copy of the power of attorney or other authority (if any) under which it is signed or authenticated, should be lodged with Link Group, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL, (by post) no later than **11.00 a.m. (London time) on 9 August 2023.**, or 48 hours before the time for holding any adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the Annual General Meeting or adjourned meeting) for the taking of the poll at which it is to be used.
3. Only those Shareholders entered on the register at the close of business **on 9 August 2023** (or, if the Annual General Meeting is adjourned, 48 hours before the time fixed for the adjourned meeting) will be entitled to attend and vote at the Annual General Meeting in respect of the number of shares registered in their names at that time. In each case, changes to entries on the register after such time shall be disregarded in determining the rights of any person to attend or vote at the Annual General Meeting.

Holders of Depositary Interests

4. By completing the enclosed Form of Direction, holders of Depositary Interests can instruct Link Market Services Trustees Limited (the "**Depositary**") to vote on their behalf at the Annual General Meeting, either in person or by proxy. The Depositary will appoint the Chairman of the meeting as its proxy to cast the votes of Depositary Interest holders, as directed by each of the Depositary Interest holder's voting instructions, or at the Chairman's discretion as he thinks fit if a Depositary Interest holder has expressly authorised the Chairman under the "Discretion to Chairman" option in the voting instructions. Note that the Chairman will not be able to exercise his discretion automatically unless he has been expressly authorised to do so under the voting instructions. If the Form of Direction is completed without any indications as to how the Depositary should vote, the Depositary will abstain from voting the corresponding Depositary Interests in respect of the Resolutions to which there are no indications as to how the Depositary should vote. If the Depositary Interest holder wishes to instruct the Depositary to vote the Depositary Interests (other than electronically using CREST), it must lodge the completed Form of Direction with Link Group, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL, (by post) during normal business hours **no later than 11.00 a.m. (London time) on 8 August 2023** or 72 hours before the time for holding any adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the Annual General Meeting or adjourned meeting) for the taking of the poll at which it is to be used.

- Alternatively, Depositary Interest holders may instruct the Depositary how to vote by utilising the CREST electronic voting service. To instruct the Depositary how to vote or amend an instruction to vote via the CREST system, the CREST message must be received by Link Group (CREST ID RA10) **by 11.00 a.m. (London time) on 8 August 2023**. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's Agent is able to retrieve the message.

CREST Personal Members or other CREST sponsored members, and those CREST Members who have appointed voting service provider(s), should contact their CREST sponsor or voting service provider(s) for assistance. For further information on CREST procedures, limitations and system timings please refer to the CREST Manual which is available from www.Euroclear.com/CREST

- After the Depositary has received instructions on how to vote on the Resolutions from the Depositary Interest holders, it will complete a Form of Proxy reflecting such instructions and send the Form of Proxy to Link Group Limited in accordance with note 2 above.
- If you hold your shares via the Depositary Interest arrangement and would like to attend the Annual General Meeting, please contact the Depositary, contact details of which are set out in the Form of Direction.

Online appointment of a proxy

- In addition to the ability of Shareholders to appoint a proxy using the enclosed Form of Proxy, in accordance with note 2 above, or of Depositary Interest holders to use the CREST electronic voting service, in accordance with note 5 above, Shareholders or holders of Depositary Interests may appoint a proxy online at <https://www.signalshares.com>. To appoint a proxy using the online appointment service, Shareholders or holders of Depositary Interests must have confirmed their appointment no later than 48 hours for Shareholders or 72 hours for holders of Depositary Interests (excluding Saturdays, Sundays and public holidays) before the time of the Annual General Meeting or any adjourned meeting.
- To appoint a proxy using the online appointment service, Shareholders or holders of Depositary Interests will need their Investor Code (which for Shareholders can be found on your share certificate). If for any reason you do not have this information, including if you hold Depositary Interests and therefore do not have a share certificate, please contact the Registrar on +44 (0) 371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls from outside the United Kingdom are charged at the applicable international rate. Lines are open between 9.00 a.m. and 5.30 p.m. (London time) Monday to Friday, excluding public holidays in England and Wales.

Corporate representatives

- Any corporation which is a Shareholder can appoint a corporate representative who may exercise on its behalf all of its powers as a Shareholder, provided that no more than one corporate representative exercises powers over the same shares. Any written authorisation (together with the original or certified copy of any power of attorney or other power under which it is executed) must be lodged with Link Group, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL, (by hand) as soon as possible and, in any event, so as to arrive **no later than 11.00 a.m. on 8 August 2023**.

Attendance at the meeting

- To facilitate entry to the meeting, Shareholders are requested to bring with them the Attendance Card which is attached to the proxy card.
- Shareholders should note that the doors to the Annual General Meeting will be open at 10.45 a.m.
- Mobile phones may not be used at the meeting venue, and cameras, tape or video recorders are not permitted at the meeting venue.

Questions

14. Any Shareholder or holder of Depositary Interests attending the meeting has the right to ask questions. The Company will endeavour to address all substantial and relevant questions relating to the business being dealt with at the meeting. The Company will not however answer if: (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given; or; (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

EXPLANATORY NOTES TO THE RESOLUTIONS

The notes on the following pages give an explanation of the proposed Resolutions.

All of the Resolutions are to be proposed as Ordinary Resolutions. This means that for the Resolutions to be passed, more than 50 per cent of the votes cast must be in favour of the Resolution.

Audited Financial Statements, Directors' Statement and Auditors' Report (Resolution 1)

The first item of business is the requirement for Shareholders to receive and adopt the Audited Financial Statements, the Directors' Statement and Auditors' Report for the financial year ended 31 December 2022 ("Annual Report").

Directors' remuneration report and directors' fees (Resolution 2)

Shareholders will be asked to approve the Directors' remuneration report as included in the Annual Report for the year ended 31 December 2022 (the "Remuneration Report") and the sum of GBP 673,000 as Directors' fees and emoluments for the financial year ended 31 December 2022 contained therein and the sum of GBP 673,000 as proposed Directors' fees and emoluments for the financial year ending 31 December 2023. The Remuneration Report is subject to approval by Shareholders on an annual basis.

Appointment of Moore Stephens LLP as auditors (Resolution 3)

Resolution 3 proposes the appointment of Moore Stephens LLP as the Company's auditor to hold office from the conclusion of this Annual General Meeting until a replacement auditor is appointed for the period until the conclusion of the next Annual General Meeting at which the audited financial statements are laid before the Company. Moore Stephens LLP have expressed their desire not to continue as the Company's auditors for the full financial period although they will remain in office until such time as a replacement auditor is appointed. The Audit Committee will therefore oversee a process to identify a suitable replacement auditor for the Company for appointment for the remainder of the relevant financial period.

Remuneration of the auditors (Resolution 4)

Resolution 4 will, if passed, authorise the Board to set the remuneration of the auditors.

Re-election of Directors (Resolutions 5-6)

Under Regulation 99.1(b) of the Company's Constitution, one third of the Directors (excluding those retiring under Regulation 99.1(a) or Regulation 105) are due to retire and are eligible for re-election at the Annual General Meeting. At this year's Annual General Meeting, two Directors are therefore due to retire and be eligible for re-election at the meeting pursuant to Regulation 99.1(b).

Such Directors are to be selected in accordance with Regulation 100 of the Company's Constitution which provides that retirement by rotation is to be determined by those who have been longest in office since their last re-election or appointment and shall otherwise be determined by lot for those who were last re-elected or appointed at the same time. Mr Duncan Stuart Black and Mr Graham Matthew Reid, having been last re-elected on the same date, have been the longest in office since last re-election.

Accordingly, a resolution to re-elect Mr Duncan Stuart Black will be proposed at the meeting, along with a separate resolution to re-elect Mr Graham Matthew Reid.

Separate resolutions will be proposed for each of the Directors.

The Board has confirmed that each of the Directors has demonstrated commitment to their role and their performance is judged as being effective. The biographical details of each of the Directors are set out in the accompanying Annual Report.

Separate resolutions will be proposed for each of the Directors.

Authority to allot and issue shares (Resolution 7)

Under Section 161 of the Singapore Companies Act and Regulation 3.2 of the Company's Constitution, the Directors may only allot and issue Equity Securities (as defined in the Constitution) with the authority of the Shareholders in a general meeting. Equity Securities as defined in the Company's Constitution includes the Company's Ordinary Shares. Resolution 7 will, if passed, provide that authority and allow the Directors flexibility to act in the best interests of Shareholders, when opportunities arise, by issuing new shares.

Resolution 7 will, if passed, authorise the Directors to allot Equity Securities up to an aggregate number of 238,528,070 Ordinary Shares. This represents approximately 33 per cent of the Company's total issued share capital as at 26 July 2023. No treasury shares are held by the Company. If the resolution is passed, this authority will expire at the Company's next Annual General Meeting in 2024 or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is earlier.

The Directors have no intention at present to exercise this authority. The Directors consider it desirable to have some flexibility to respond to market developments to enable allotments of Equity Securities to take place for general corporate purposes and to finance business opportunities as they arise. The authority, if granted, will only be exercised if the Board believes that to do so would be in the best interests of Shareholders generally.

Disapplication of pre-emption rights (Resolution 8)

Regulation 6 of the Company's Constitution generally prevents the issue of Equity Securities (other than pursuant to an employee share option scheme), which are not first offered to the existing Shareholders in proportion to the number of shares held by them at the time of the offer. However, it may be in the interests of the Company, for the Directors to issue Equity Securities including shares to Shareholders free of the restrictions imposed by Regulation 6.

Resolution 8 is conditional on the passing of Resolution 7 and will, if passed, give the Directors authority to issue Equity Securities in certain circumstances without first being required to offer them to existing Shareholders. This Resolution will allow the Directors to allot Equity Securities:

- (a) up to an aggregate number of 238,528,070 Ordinary Shares for cash, which represents approximately 33 per cent of the issued share capital of the Company as at 26 July 2023 on a pre-emptive basis (less any Equity Securities issued pursuant to paragraphs (b) or (c) of Resolution 8) but subject to such exclusions or other arrangements as the Directors may consider necessary or appropriate to deal with fractional entitlements, record dates or legal and regulatory or practical difficulties which may arise under the laws of or the requirements of any regulatory body or stock exchange in any territory; and
- (b) up to an aggregate number of 238,528,070 Ordinary Shares, which represents approximately 33 per cent of the issued share capital of the Company as at 26 July 2023 on a non pre-emptive basis (less any Equity Securities issued pursuant to paragraphs (a) or (c) of Resolution 8), to such persons as the Directors deem fit for a consideration other than cash; and
- (c) up to an aggregate number of 144,562,467 Ordinary Shares for cash, which represents approximately 20 per cent of the issued share capital of the Company as at 26 July 2023 less any Equity Securities issued pursuant to paragraphs (a) or (b) of Resolution 8), without the shares first being offered to existing Shareholders in proportion to their existing holdings.

The Directors consider the authority in Resolution 8 to be appropriate in order to allow the Company flexibility for general corporate purposes and to finance business opportunities to conduct a pre-emptive offer or rights issue or to otherwise issue shares for non-cash consideration on a non pre-emptive basis or for cash consideration also non pre-emptively pursuant to a subscription, placing or otherwise.

Grant of options and awards under the Company's Share Plans (Resolution 9)

The Company requires an annual authority from Shareholders to permit the Directors to grant options and awards under the Company's Long Term Incentive Plan any other long term incentive plan adopted by the Company from time to time, and any other share plan for the benefit of employees adopted from time to time and to allot and issue shares upon the exercise of options and awards under the Long Term Incentive Plan, any other long term incentive plan adopted by the Company from time to time, the Company's 2016 Share Option Plan and any other share plan for the benefit of employees adopted from time to time. Resolution 9, if passed, will allow the Directors to grant such options and awards and to allot and issue such shares in the period up to the Company's next Annual General Meeting in 2024 or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is earlier.
